

**PRESS RELEASE**

Khartoum: June 1, 2009

United Capital Bank announced that it has published a new book about the famous Sudanese novelist El Tayeb Salih titled:

**" El Tayeb Salih – A date tree on the creativity stream "**

The book which contains 260 pages of average size contains many articles that were written before and after his demise, in addition to some of the dialogues that took place with him and pieces of poetry on him and some of his famous verses.

Dr. Bakheeta Ameen and distinguished group of experts compiled and edited the material of the book. A committee of selected senior media and literature laurents reviewed the book prior to its final adoption.

The book was inaugurated in a great ceremony at Nile Hall at Alsalam Rotana Hotel at half past seven on the evening of Saturday June 13, 2009 in the presence of selected group of the media and literature specialists, and businessmen in Sudan.
